

# WHO ARE WE UNITY FCI

1. We Provide Spanish Emergent Professional Tutoring and Counseling for children 6-12 who are struggling academically, emotionally, and behaviorally, or due to ESL, especially since the recent pandemic of COVID-19 which continues to affect not only children but everyone around the world.

2. We Provide a Spanish Language Summer Day Camp June, July, and August months. This is where kids 6-12 get to experience the Latino Culture for one week by learning, sharing, teamwork, increase in peer relationships, and a field trip, followed by an award ceremony Fridays as the children put on a small show for parents. Kids will learn music, arts and crafts, experience cultural food as it's catered by healthy and professional local restaurants. The one-week adventure will have a long lasting and positive impact on these children.

3. We provide Family, Couples, and Individual therapy/Counseling services to our community both virtually, office, and in-home. Due to the devastating impact of Covid,-19 more families and community members have been scared by the effects it has put on everyone. This leaves people living on a daily base with high anxiety, depression, trauma, disconnect, and unsure of future endeavors. Although we are a cash-based provider, we do offer a sliding fee which we will benefit in several ways including your personal privacy and not waiting for the ok by your insurance, along with the labels professionals tend to give patience or clients.

4. We will soon be able to provide our Healthy Holistic Healing approach for coping management skills that are alternatives such as classes (art, Aerobics, Palates, positive pod-cast), and other quick skills to benefit your well-being. Let us help you the best way we can by offering a holistic, spiritual, and organic coping approach to start healing. Connecting to our Healthy Holistic Healing (HHH) we will be opening our on-line store of Health and beauty products. More information coming soon.

## OUR SERVICES

### Spanish Language Summer Day Camp

Unity also values our Latino community and wants to continue supporting Spanish learning during the summer with a language day camp for children 6-12 years of age. ALL CHILDREN WHO WANT TO LEARN SPANISH ARE WELCOME!!! This is a fun week of learning, experiencing, and practicing their skills at the Thursday Field Trip and Friday's Ceremony and parents show. They will experience cultural food which is catered by professional Mexican/Spanish/ and other South American restaurants. The camp is structured with lots of fun activities such as music, singing, dancing, arts & crafts, and so much more! Come experience something new, wonderful, and FUN!!! The camp is \$500 per week but with a 15% discount at the open-house today that is just \$425 (plus registration fee) for a great week of FUN! Includes lunches and field-trips up to \$10/child.

## Spanish Emergent Tutoring/Counseling Program

Unity FCI Developed this important Spanish Emergent Tutoring/Counseling Program because of the Horrifying effects this World-Wide Pandemic (COVID-19) left on our children's well-being academically, emotionally, and physically, or due to ESL. We noticed what this serious impact had on our families and community. Children lost connections with supportive learning, bonding with peers, self-esteem, worthiness, consistency with routines, focusing decreased, along with sleep deprivation. We are here to help. We will assist kids back to a healthy equilibrium. It is Unity FCI's desire to start assisting them in what really matters. Themselves and feeling good about who they are!!! We are here for their families and the community to build a stronger foundation for everyone.
